tD Welcomes Our NEW WRITERS!

by Julius Ferraro

Back in November thINKingDANCE brought on a new writer, Thomas Choinacky, and this month, we are bringing on another ten. We are excited to welcome this new cohort of writers with all of their diverse experiences, backgrounds, interests, and ideas to tD.

They include playwrights and activists, scenic designers and illustrators, professors and poets, and of course dancers. They have trained with SIT Company, Urban Bush Women, and Miguel Gutierrez, and performed with Headlong, Teatro Linea de Sombra, and Silvana Cardell. Look forward to reading work by this exciting group:
