by Miryam Coppersmith

Join thINKingDANCE for a series of exciting in person events around Philadelphia this spring! First, thINKingDANCE is partnering with [Philadelphia Dance Projects](#) to offer Write Back Atcha after upcoming performances. Then, don't miss our first ever drINKingDANCE, an opportunity to meet tD writers and readers in a fun, happy hour setting. Read on for more information!

Write Back Atcha is a post-show talk-back and mini-writing workshop led by tD writers. Before the performance, audience members are given a few prompts to shape their viewing of the piece. Afterwards, they are guided through an exploration of language in response to the performance. Audience members will have an opportunity to see their words published in **a crowd-sourced review** on our website. To join, stick around after the show.
