Upping the ante on dance coverage and conversation

PS #1: Spotlight on Philadelphia

What portion of the dance ecosystem in Philadelphia would you like to shine a light on? Name it here, and tell us why.

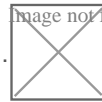

[Lisa Kraus](#) How about the 'Batizado' at the Capoeira Arts Center when great Mestres (like super black belts) come from Brazil to 'test' the capoeiristas? It's like a party full of the most sneaky, bouncy, seemingly impossible movement.

[Lewis Whittington](#) Lisa, really impressive and these writers are going to be wonderful voices in our field. Your orchestration will

be invaluable. Salut to you & the writers
