Upping the ante on dance coverage and conversation

## Sneak Peak!

In April, Becca Weber wrote about TD's adventures with No Idea is Too Ridiculous.

Now we offer you a glimpse of our soon-to-debut video. In this 10-second sneak peak you get a taste of what we'll be uploading to the thINKingDANCE site in June. https://www.dropbox.com/s/o5pdn9wi1bfnp39/NO idea\_sample.mov

We've been wanting to work with media since our very beginnings, so we're happy to finally dive in. Keep your eyes peeled for the full video and know that your support helps us keep experimenting in new ways!
