Upping the ante on dance coverage and conversation

Video - So You Think You Can't Understand Contemporary Dance

thINKingDANCE has long-planned to integrate media into the site. Taking part in The Pew Center for Arts & Heritage's 'No Idea is Too Ridiculous' program has provided us with a goad and some resources to take this initial foray.

We hope this video by Gabrielle Revlock in collaboration with TD will appeal to people who feel they don't know so much about dance, but who could find watching dance really enjoyable given a few more cues.

If you'd like to share it, to help it reach those folks (your mother? your neighbor?) you can [go to our Facebook page](#) and share it on your wall. Or tweet about it. That way you'll really help spread the word about dance! Thanks.
