## A Danse4Nia Correction

Dear Editor,

I would like to correct some errors stated in Kariamua Welsh's recent review of Danse4Nia's concert on Sunday, November 6th. Danielle Currica did not perform with us in this concert. Though she often serves as our guest artist, she was not with us on November 6th. Also, the order of the show was *Caged; Better to Have Loved; Descending, Ascending;* and *Standing in My Skin*. I sincerely appreciate that Ms. Welsh attended our performance and chose to review us, but I just wanted to address these inaccuracies.

Many thanks,  
Sara Nye
